**BUBT**

Slot Distribution Rules for ICPC Asia Dhaka Regional Contest 2025

1. Quota Determination:

The quota for each university will be decided based on their performance in the **ICPC 2023 Dhaka Regional Onsite Contest** (hosted by BUBT) and the **ICPC 2024 Dhaka Regional Onsite Contest** (hosted by DIU).

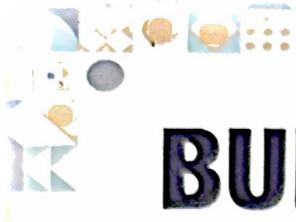

- If the quota for a university is X , the top X teams (based on ranking in the **ICPC Dhaka Regional Preliminary Contest 2025**) from that university will qualify for the **ICPC Dhaka Regional Onsite Contest 2025**.
- However, the total number of teams from a university (combining clauses 1, 2, 3, and 5) **cannot exceed Eight (8)**, except in the case of all-girl teams, which may be considered as a potential 9th team.

2. All-Girl/Female Team Quota:

- Two (2) additional slots will be reserved for all-girl/female teams, selected after the teams under the default quota have been finalized.
- If an all-girl/female team qualifies under the default quota, it will **not** count toward these two reserved slots.
- The following conditions will apply:
 - i. The two teams must be from **two different universities/institutes**.
 - ii. Each selected team must have **solved at least two problems** in the preliminary contest.
 - iii. Teams will be selected **based on contest ranking**.
 - iv. If a university already has an all-girl team qualified under the default quota, it **cannot** receive an additional slot under this quota.

3. Host and Special Quota:

- The host university (**Bangladesh University of Business and Technology – BUBT**) will receive **Eight (8)** slots.
- Universities that have previously organized the ICPC Asia Dhaka Regional Contest and ICPC World Finals will also receive **one (1)** additional slot in recognition of their contribution to hosting the event.

4. Steering Committee Discretion:

- The **Steering Committee** reserves the right to **increase the quota** for any university based on exceptional past performance or other justified reasons.
- Such decisions may override the rules mentioned above and may increase the total number of participating teams.

5. New Universities:

- Universities that did **not participate** in the **Dhaka Regional Onsite Contests of 2023 and 2024** may receive **at most one (1) team** slot, based on their preliminary contest performance.
- These teams must have solved at least **one problem** in the preliminary contest.
